

NPC Self Study Work 1st April 2020 (Geography 1A 1C)

Watch a video about greenhouse effect

https://www.youtube.com/watch?v=x_sJzVe9P_8

and complete the following 3 tasks:

1. Write a movie summary in 100 words.
2. Explain what greenhouse gases are and give 3 examples of greenhouse gases.
3. Briefly describe what may happen if humans do not have greenhouse gases on the earth.

E-mail your work to tg@npc.edu.hk on or before 15th April, 2020.

Name your WORD file 'S1 Geography Video Report Greenhouse Effect'.

Remember to show your **name, class and class no.** in your file.
